LED TELEVISIONS:

The new X-GEN Sharp Full Screen LED TVs produce bright and vibrant colours with contrasting deep blacks resulting in exquisite fine details and precise expression of colours.

The LE700 range also feature 100Hz technology to reduce blur.

Complete with USB and HDMI inputs for easy multimedia connectivity.

They feature an ECO button, Low Power Consumption, Mercury free and an intelligent ECO Picture Control built in.

IPOD DOCKING STATION:

Only £44.99!

We have a small number of DKAP7 iPod docking stations available in black/white, black/silver or black/red. This 2.1-channel portable speaker system is compatible with iPods up to the fourth generation and boasts a built-in subwoofer with the HDSS technology.

DIGITAL TUNER:

Only £99.99!

The TU-R252H features HDMI up scaling to 1080i for full high definition viewing. It incorporates Freeview+ with a choice of more than 40 digital TV channels with no subscription. It can store hundreds of hours of programs and films. Live TV can be paused, recorded, rewind and played back at the touch of a button.

SOLO & COMBINATION MICROWAVES:

From £15!

We are currently holding a large assortment of new Sharp microwaves including grill and convection models. The R270 microwave is available in white, black and silver for only £15.00

PLASMA CLUSTER ION GENERATOR:

From £175!

Plasmacluster technology releases positive & negative ions into the air, which inactivates contaminants such as dust, mould, pollen and viruses. It is proven to be 99.9% effective against H1N1 swine flu virus and H5N1 avian influenza virus.
